Genre Performance

Sci-Fi continues to outperform all other genres with an average ROI of 2.8x. Action follows closely at 2.2x. Historical Drama has shown steady growth, with audience scores consistently above 85%. Comedy remains the weakest genre with an average ROI of only 1.2x, and declining completion rates (down 15% year-over-year). Our comedy slate has struggled to connect with core subscribers. Internal analysis indicates comedy titles are losing share to short-form external platforms. Leadership is reviewing the comedy investment strategy for 2026.

Strategic Recommendations

* Increase Sci-Fi IP investment: greenlight at least 3 new Sci-Fi projects per year.
